**AGREEMENT BETWEEN
THE TEXAS BOARD OF NURSING
AND
MICHAEL TELLES**

This agreement is entered into by and between the Texas Board of Nursing (the "Board") and Michael Telles (the "Contractor") for the mutual considerations set forth below (the "Contract"). For purposes of this Contract, the Board and the Contractor are sometimes collectively referred to as the "Parties" or individually as a "Party."

1 Authority for Agreement

- 1.1 This Contract is entered into by the Parties under the authority of Section 2155.132 of the Texas Government Code, and 34 Texas Administrative Code Section 20.82.

2 Services to be Performed; Contractor Responsibilities

- 2.1 Contractor Responsibilities. Contractor agrees to provide one uniformed off-duty Department of Public Safety Officer to provide security services at Board events on an as-needed basis. The Contractor will either personally provide security services at Board events under the terms of this Contract or arrange for another off-duty Department of Public Safety Officer to provide security services at Board events under the terms of this Contract. Board events include the Board's quarterly meetings, Eligibility and Disciplinary Committee Meetings, hearings at the State Office of Administrative Hearings, and any other Board event requiring security services. Board Staff will contact the Contractor when security services will be required at a Board event.

3 Payment Structure and Payment Cap

- 3.1 Payment Structure. The Board will pay the Officer providing the security services at a rate of sixty dollars (\$60.00) per hour, with a minimum of two hundred forty dollars (\$240.00) per event. If a Board event is cancelled, the Board will give 24 hours' notice of that cancellation to the Contractor. In the event that 24 hours' notice of a cancellation cannot be given, the Board will pay two hundred dollars (\$200.00), upon request.
- 3.2 Compensation Limits. The Board agrees to pay up to five thousand dollars (\$5,000.00) for the total term of this Contract. Payments under this Contract shall not exceed five thousand dollars (\$5,000.00) for the total term of this Contract.
- 3.3 Refund. Contractor will promptly refund or credit within thirty (30) calendar days any funds erroneously paid by the Board, which are not expressly authorized under the Contract.

4 Term; Termination

4.1 Term.

This Contract shall be effective upon the signature of the Executive Director of the Board, and will expire on August 31, 2020.

4.2 Termination for Cause.

If the Contractor fails to provide the goods or services contracted for according to the provisions of this Contract, or fails to comply with any terms or conditions of this Contract, the Board may, upon written notice of default to the Contractor, immediately terminate all or any part of this Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies as provided in equity, by law or under this Contract. The Board may exercise any other right, remedy, or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of this Contract. The exercise of any of the foregoing remedies will not constitute a termination of this Contract unless the Board notifies the Contractor in writing prior to the exercise of such remedy. The Contractor shall be liable for all costs and expenses, including court costs, incurred by the Board with respect to the enforcement of any of the remedies listed herein.

4.3 Termination for Convenience.

The Board reserves the right to terminate the Contract at any time, in whole or in part, without cost or penalty, by providing thirty (30) calendar days' advance written notice, if the Board determines that such termination is in the best interest of the State. In the event of such a termination, the Contractor must, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. The Board shall be liable only to the portion of work the Board authorized in writing and which Contractor has completed, delivered to the Board, and which has been accepted by the Board. All such work shall have been completed, in accordance with Contract requirements, prior to the effective date of termination. The Board shall have no other liability, including no liability for any costs associated with the termination.

4.4 Contractor's Continued Performance.

Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the Texas Board of Nursing, Contractor must continue performance and will not be excused from performance during the period any breach of contract claim, dispute or mediation is pending under either of the above processes. However, Contractor may suspend performance during the pendency of such claim or dispute if Contractor has complied with all provisions of Section 2251.051 of the Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

5 General

5.1 Disaster Recovery Plan.

In accordance with 13 Texas Administrative Code § 6.94(a)(9), relating to third-party custodians of records, the Contractor shall provide to the Board the descriptions of its business continuity and disaster recovery plans in regards to the Board's vital state records.

5.2 Dispute Resolution.

The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used to attempt to resolve any dispute arising under this Contract. If the Contractor's claim for breach of contract

cannot be resolved informally with the Board, the claim shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Contractor shall submit written notice to the Board, as required by Chapter 2260. Any informal resolution efforts shall in no way modify the requirements or toll the timing of the formal written notice of a claim for breach of contract required under Section 2260.051 of the Texas Government Code. Compliance by the Contractor with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

The contested case process provided in Chapter 2260 is the Contractor's sole and exclusive process for seeking a remedy for an alleged breach of contract by the OAG if the parties are unable to resolve their disputes as described above.

Notwithstanding any other provision of this Contract to the contrary, unless otherwise requested or approved in writing by the Board, the Contractor shall continue performance and shall not be excused from performance during the period any breach of contract claim or while the dispute is pending. However, the Contractor may suspend performance during the pendency of such claim or dispute if the Contractor has complied with all provisions of Section 2251.051 of the Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

5.3 Excess Obligations Prohibited; Non-Appropriation of Funds; Legislative Action.

The Contractor acknowledges that the ability of the Board to make payments under this Contract is contingent upon the continued availability of funds. The Contractor further acknowledges that funds may not be specifically appropriated for the Contract and the Board's continual ability to make payments under the Contract is contingent upon the funding levels appropriated to the Board. The Board will use all reasonable efforts to ensure that such funds are available. The Contractor agrees that if future levels of funding for the Board are not sufficient to continue operations without any operational reductions, the Board, in its discretion, may terminate the Contract or a pending order under the Contract, either in whole or in part. In the event of such termination, the Board will not be considered to be in default or breach under the Contract, nor shall it be liable for any further payments ordinarily due under the Contract, nor shall it be liable for any damages or any other amounts which are caused by or associated with such termination. The Board shall make best efforts to provide reasonable written advance notice to the Contractor of any such Contract or order termination. In the event of such a termination, the Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination, either on the particular order if an order is being terminated, or the Contract, if the Contract is being terminated. The Board shall be liable for payments limited only to the portion of work the Board authorized in writing and which the Contractor has completed, delivered to the Board, and which has been accepted by the Board. All such work shall have been completed, per the Contract requirements, prior to the effective date of termination.

5.4 Governing Law and Venue.

This Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under this Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the Board.

5.5 Indemnification.

CONTRACTOR SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE STATE OF TEXAS AND THE BOARD, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES ARISING OUT OF, OR RESULTING FROM ANY ACTS OR OMISSIONS OF CONTRACTOR OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT AND ANY PURCHASE ORDERS ISSUED UNDER THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY CONTRACTOR WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND CONTRACTOR MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. CONTRACTOR AND THE BOARD AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.

5.6 Texas Public Information Act.

Contractor understands that the Board will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code) as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas. Information, documentation, and other material in connection with this Contract may be subject to public disclosure pursuant to the Texas Public Information Act. In accordance with Section 2252.907 of the Texas Government Code, Contractor is required to make any information created or exchanged with the State pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State.

5.7 State Auditor's Right to Audit.

Pursuant to Section 2262.154 of the Texas Government Code, the state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under this Contract or indirectly through a subcontract under this Contract. The acceptance of funds directly under this Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. The Contractor will ensure that this Section concerning the authority to audit funds received indirectly by subcontractors through the Contractor and the requirement to cooperate is included in any subcontract it awards, should subcontracting be authorized. The Contractor further agrees to cooperate fully with the State Auditor's Office in the conduct of the audit or investigation, including providing all records requested. Additionally, the State Auditor's Office shall at any time have access to and the rights to examine, audit, excerpt, and transcribe any pertinent books, documents, audit documentation, and records of the Contractor relating to this Contract.

5.8 Technology Access Clause.

Contractor expressly acknowledges that state funds may not be expended in connection with the purchase of an automated information system unless that system meets certain statutory requirements relating to accessibility by persons with visual impairments. Accordingly, Contractor represents and warrants to the

Board that the technology provided to the Board for purchase is capable, either by virtue of features included within the technology or because it is readily adaptable by use with other technology, of:

- providing equivalent access for effective use by both visual and non-visual means;
- presenting information, including prompts used for interactive communications, in formats intended for non-visual use; and
- being integrated into networks for obtaining, retrieving, and disseminating information used by individuals who are not blind or visually impaired.

For purposes of this Section, the phrase "equivalent access" means a substantially similar ability to communicate with or make use of the technology, either directly by features incorporated within the technology or by other reasonable means such as assistive devices or services which would constitute reasonable accommodations under the Americans With Disabilities Act or similar state or federal laws. Examples of methods by which equivalent access may be provided include, but are not limited to, keyboard alternatives to mouse commands and other means of navigating graphical displays, and customizable display appearance.

In accordance with Section 2157.005 of the Texas Government Code, the Technology Access Clause contract provision remains in effect for any contract entered into before September 1, 2006.

5.9 Terms and Conditions Attached to Response.

Neither Party may assign this Contract or assign, transfer or delegate, in whole or in part, any of its interest in, or rights or obligations under, this Contract without the prior written consent of the other Party, and any attempted or purported assignment, transfer or delegation thereof without such consent shall be null and void. Notwithstanding the foregoing, upon prior written notification to the other Party, either Party may assign this Contract or assign, transfer or delegate, in whole or in part, any of its interest in, or rights or obligations under, this Contract without such prior written consent to: (1) a successor in interest (for the Board, another state agency as designated by the Texas Legislature) or (2) a subsidiary, parent company, or other entity in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets.

The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed, provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

5.18 Independent Contractor.

The Contractor is not an employee of the Board, and as such, is responsible for payment of any federal taxes to be paid to the federal government attributable to the payments made under this Contract. Furthermore, the Contractor is not eligible for any fringe benefits due to state employees. Contractor and Contractor's employees, representatives, agents, subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under this Contract. Neither the Board nor Contractor is an agent of the other and neither may make any commitments on the other party's behalf. Should Contractor subcontract any of the services required in this Contract, Contractor expressly understands and acknowledges that in entering into such subcontract(s), the Board is in no manner liable to any subcontractor(s) of Contractor. In no event shall this provision relieve Contractor of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with this Contract. Contractor shall have no claim against the Board for vacation pay, sick leave, retirement benefits,

social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. This Contract shall not create any joint venture, partnership, agency, or employment relationship between Contractor and the Board.

The failure to enforce or any delay in the enforcement of any privileges, rights, defenses, remedies, or immunities detailed in the contract or otherwise available to the Board by law will not constitute a waiver of said privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.

5.22 No Third-Party Beneficiaries.

The Contract is made solely and specifically among and for the benefit of the parties named herein and their respective successors and assigns, and no other person shall have any right, interest, or claims hereunder or be entitled to any benefits pursuant to or on account of the contract as a third-party beneficiary or otherwise.

5.26 Severability.

If any provision of the Contract is construed to be illegal, invalid or unenforceable, such construction will not affect the legality, validity or enforceability of any of its other provisions. It is the intent and agreement of the parties to this Contract that that this Contract shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal and enforceable and that achieves the same objective. All other provisions of this Contract will continue in full force and effect.

5.27 Sovereign Immunity.

The Parties expressly agree that no provision of the Contract is in any way intended to constitute a waiver by the Board or the State of Texas of any immunities from suit or from liability that the Board or the State of Texas may have by operation of law.

5.28 Subcontractors.

Should Contractor subcontract any of the services required in this Contract, Contractor expressly understands and acknowledges that in entering into such subcontract(s), the Board is in no manner liable to any subcontractor(s) of Contractor. In no event shall this provision relieve Contractor of the responsibility

for ensuring that the services performed under all subcontracts are rendered in compliance with this Contract.

5.29 Survival.

Expiration or termination of the Contract for any reason does not release Contractor from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

Contractor shall fully reimburse such charges to the Board within ten (10) calendar days of Contractor's receipt of the Board's notice of amount due. Use of State Property for a purpose not authorized by the Contract shall constitute breach of contract and may result in termination of the Contract and the pursuit of other remedies available to the Board under the Contract, at law, or in equity.

5.32 Waiver of Consequential Damages.

NOTWITHSTANDING ANY OTHER PROVISION TO THE CONTRARY HEREIN, NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES OR LOSS OF PROFITS, ANTICIPATED OR OTHERWISE, OR LOSS OF REVENUES IN CONNECTION WITH OR ARISING OUT OF, OR IN CONNECTION WITH, THE SUBJECT MATTER OF THIS CONTRACT.
